

**Girls Inc. is celebrating our 40<sup>th</sup> Anniversary of service to girls. From our earliest beginnings working with Fairview girls back in 1969 our goal has been to provide meaningful activities to encourage, support and enrich girls in our community.**

**Now is the time to celebrate and honor our history! What Is Your Story? project aims to collect at least 40 stories from those involved with Girls Club and Girls Inc. over the years.**

**If you were a Girls Club/Girls Inc. member, volunteer, supporter or enthusiast, we want your story! Please let us hear from you, as your heart carries the story of our success. Contact Beth Harrick at (765) 962-2362 to set up a time to share your story.**
